

Lined

Streamlined, timeless and robust. The classic surface design.

Surface type

interior | exterior*

Microlined

Fine microlining creates a unique play of light and shadow for elegant façades.

Surface type

exterior

Smooth¹

Smooth surfaces are easy to clean and recommended for use in areas subject to strict hygienic standards.

Surface type

interior* | exterior*

* special coating

¹ undulations within the range of tolerance may be more obvious on smooth surfaces when light conditions (e.g. position of the sun) are not favourable.
